

National Sales Conference 2014

MSD Animal Health kicked the year off on a high note with a National Conference held in January at Kopanong conference centre. The whole company attended on the first day where, amongst other things, we celebrated the company's achievements in 2013 and laid plans for 2014.

The full sales force also received thorough training from our Veterinarians and Product Managers and the goals for an exciting 2014 were set.

At the Gala Dinner & Prize Giving, awards were given to high performing members of the MSD team for 2013 – a year that was packed with challenges in the agricultural industry.

Here are just a few of the prizes handed out at the Gala evening:
